

2016 Water Licence Transfer Plebiscite

The BRID was seeking approval from the irrigators for a transfer of up to 220 acre feet of water from the district's lowest priority water licence to the Town of Okotoks. The proposed transfer will occur only if the district receives an equivalent volume of water from water licences issued to other parties on the Bow River. On July 6, 2016, between the hours of 10:00 A.M. and 8:00 P.M., irrigators were invited to vote on this question.

The results of the vote are as follows:

In favour of the transfer 6

Not in favour of the transfer 3
